## [Executive Summary]

I am a faith-driven innovator, builder, and protector of legacy. As a loving father and husband, my purpose is to lead with integrity, build with vision, and leave behind wealth that stretches generations. My specialties include AI architecture, financial strategy, personal branding, and intelligent systems that run while I sleep. Im designing the future, one masterpiece at a timewith Arion as my mind, SnapFlow as my tool, and Christ as my compass.

## [Strategic Capabilities]

- Advanced AI/Automation Strategy & Architecture
- Wealth Systems & Digital Asset Creation
- Web & App Development (HTML, CSS, JS, Python)
- Business Intelligence | Risk | Decision Systems
- Faith-Based Leadership | Personal Growth Execution

## [Professional Experience]

2022Present Property Adjuster USAA

Trusted front-line handler of home and auto claims with compassion, precision, and accountability across diverse member needs.

# Thomas Keyt

Visionary Builder | AI Creator | Wealth Architect | Man of God

2024Present Founder Arion AI

Designed and engineered a private artificial intelligence assistant capable of learning, speaking, trading, and evolving in real-time as a personal legacy tool.

2025Present Founder SnapFlow

Developed a cross-industry visual media solution for uploading, tagging, and sending up to 200+ photos/videos in a secure, branded experience.
